# BE SMART UPGRADE

## DID YOU KNOW?

CodeLocks Smart Locks can be easily retrofitted to your existing door lock prep. Yes, it's really that simple.

## GET SMART.

An easy upgrade will transform your door access and allow a greater level of control. The locks offer flexibility and convenience; program, operate and manage locks directly via the keypad, or by downloading the KS Connect App\* on any Bluetooth compatible smartphone, generate and send entry codes for easy access and issue smart cards for alternative entry.

## STILL SIMPLE. STILL STANDALONE.

The locks are smart, but they still perform and operate at entry level. Simple access control with a code. The locks offer a full range of benefits that put you in control allowing you to choose the level of usage that is required for your specific needs and application.

\*To use a smartphone keypad you will need to download the KS Connect App from the App Store or Google Play.

Top Notch Distributors, Inc.

Distributing architectural door hardware since 1975, Top Notch exceeds customers' expectations with integrity, knowledge, and the drive to provide the best service. Starting with simple family roots in Honesdale, PA, Top Notch is now an employee-owned company (ESOP) that services customers nationwide. Top Notch has an inside sales team averaging 16+ years of experience and are available 13 hours a day offering technical expertise and purchase order placement. We have a full-service keying department offering custom keying (keyed alike, master-keying, and construction keying). We also offer 24 hour online ordering, in which you can also check on-hand inventory quantities, status of orders, and shipping information. The Top Notch family continues to grow, with the recent acquisition of Boyle and Chase in Hingham, MA. This will allow both companies to offer an even more extensive product offering with even quicker and more accurate service.
